## **5th Dimension Living ... Amanda Slade's Newly Released Book Offers a Revolutionary System for Love, Prosperity & Higher Consciousness!**

**LAGUNA BEACH, CA, MAY 13, 2025** – As the world faces unprecedented upheaval, uncertainty, and transformation, many feel lost, disconnected, and not sure how to move forward. The visionary leader, bestselling author, and spiritual strategist, Amanda Slade has launched her new book, *Evolve Into Your All: Create & Live in the 5th Dimension of Love, Joy & Prosperity!* to help navigate these shifting times.

More than just inspiration, *Evolve Into Your All* is a blueprint to awaken the Soul's fullest Potential and co-create a new reality rooted in Love, freedom, empowerment, prosperity, and Higher consciousness even amidst chaos. Amanda Slade recognized that true success is not built on fear, survival, and overworking, but on inner vibrational alignment, energetic mastery, and living and leading from the Soul's wisdom within the High frequencies of the 5<sup>th</sup> Dimension.

After 20 years of successfully climbing the corporate ladder and achieving high-level leadership roles, Amanda Slade had a profound awakening and answered the call of her Soul. She walked away from the old paradigm and created The Diamond Co-Creative System®. This revolutionary 12<sup>th</sup> Dimension energetic technology fuses Sacred Geometry, quantum science, and powerful spiritual principles to accelerate healing, transformation, and manifestations. Through this System, she guides readers to dissolve their energetic blocks, heal the past, break free from unconscious patterns, and activate their innate Soul's wisdom, purpose, and plan.

As the outer world feels unstable and overwhelming, Amanda offers a higher path to move through uncertainty with clarity, confidence, and empowered trust. *Evolve into Your All* shows readers how to release fear, limitation, and self-doubt by reconnecting with their true Soul's power and anchoring within the 5<sup>th</sup> Dimension Principles of Love, Joy, Freedom, Thrive, Prosperity, and others offered in the book.

Through guided practices, scientific and spiritual insights, and inspiring real-life stories, Amanda Slade delivers an actionable, Soul-igniting blueprint for personal and professional evolution. Her readers do not just survive the chaos; they elevate and evolve beyond it, becoming powerful Co-Creators of their new reality. They shift from being stuck, overdoing, and despair to True alignment, inner harmony, and deep fulfillment – moving from career to calling, success to significance, leadership to legacy. It is not about *doing* more; it's about *becoming* your ALL.

Since 2001, Amanda Slade's teachings have reached thousands worldwide. She is featured in the transformational documentary *Pillars of Power* alongside Dr. Joe Vitale, John Assaraf, and other luminaries from *The Secret*. As a sought-after speaker and mentor for seekers, visionaries, entrepreneurs, executives, and legacy builders, Amanda continues to catalyze a movement of new consciousness, helping all to prosper and thrive. Her book is a must-read for conscious creators ready to live in a new way!

Amanda Slade is available for media interviews, keynote speaking engagements, and podcast features.
